The Anointing of Burial Ground

"I will use this land to be a point of revival, making the coming revival to resemble the Moravian Revival, as in commanding the Dry Bones to be resurrected to become a great army (Ezekiel 37). Your prayer tower will be established upon the center of a burial ground, and so the burial ground shall become a Prayer Centre. You have the anointing of the burial ground; transforming such a ground into a prayer center, fear not, the Moravian revival timing is here, I will rise up 24 hours prayer tower." When Rev. Anton Cruz was giving out the prophecy to GA611, he emphasized on the "Burial Ground Anointing" that GA has. Those who went through with us in the process of buying the land and building the Tabernacle were also rather surprised, as many did not know our land is associated with burial ground.

I am reminded of the 5th of June, 2005 when Rev. Joshua Cheung, in a simple ceremony, declared that GA would officially be a church covered by 611HK and Bread Of Life Church. On the following Sunday, Rev. David Wu prophesized based on Joshua 1:3,5 saying: God would give you a piece of land, all the land that you walk on, God will give to you per His promise, so be courageous, ask of God for the land, because you will surely inherit that land as your inheritance, being the Land which the LORD has promised to you."

On the following Wednesday, our Morning Devotion came upon Genesis 23 relating to Abraham buying the first piece of land – the Cave of Machpelah to bury his wife Sarah. I knew then that God was confirming the land He had kept for us. Thereafter, we laid hand upon our Spiritual Mapping to pray and to seek God's Will. As Pr. Sarah shared her revelation of "Be above and not be beneath; be the head and not the tail", we discovered the top portion of the Pharaoh's Head in the Spiritual Mapping, was colored with deep yellow. After we checked the Petaling Atlas notes, then only we realized this color described land for Industry and Grave Yard. Wow, Bingo! Our existing Tabernacle Land was then demarcated as burial ground!

Twelve years later today, Pr. Anton Cruz prophesized that we will see a Moravian revival in GA611, with burial ground anointing. We now know that the Moravian Revival Prayer Tower is surrounded by a grave yard for 6,000 missionaries. These missionaries gave their lives wholeheartedly to mission work without the plan of returning. The lack of modern transportation some 300 years before made home-coming very unlikely. The missionaries then had brought the gospel to Europe, South and North America, the Africa, the Arctic and Far East, triggering also the Christian new religious reformation, injecting new life into the church at large, ending therefore the Dark Age.

In the beginning, I found it hard to say amen to the prophecy, realizing the colossal price that is required, but the LORD comforted me saying that we are now in the age of modern transportation, no matter where one is sent, he/she is always able to return by plane. We are deeply thankful to our God for honoring us, opening our eyes to the elements of the Moravian Revival. Its influence spanned far and wide, it involved a 100 years of prayers, a 100 years of missions, which empowered the revival to prevail for 100 years. Though I feel unworthy, yet I also can discern the heart of commitment to revival in the brothers and sisters.

Then Pr. Jerome of the Nazirite Training Program had likewise just returned from the Moravian Revival Commemoration Conference, and he also mentioned this revival, and transferred to us the hunger for God and for His revival. ■

Next is the Best

©Rev. Anton Cruz

1. The Lord will Complete His Good Work

...being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ. (Phi. 1:6)

The Lord who began a good work in our hearts will definitely complete His own work. When God called us, He treated us with goodness, he will also do the same in the future, and it will be in more abundance. What we start, He will finish; what He starts, we will finish. The relationship between us and God is one where we both need each other.

When we join hands and work together with God, this good work will be completed, and it will also be the time to be re-elevated. We need to experience God's love, mercy and faithfulness.

2. The Next will be the Best Inheritor

When we are praying for our next generation, we will see the problems and that will cause us to be frustrated and worry, but God will give the best to us, because even our earthly father will give the best to his children, how then will our heavenly Father ill-treat us? The best things will appear in the lives of the young people of our next generation. Therefore, the apostle Peter asked us to cast our burdens to God, because He cares for us.

3. This is the Time of the Anointing of the Next Generation

But the Lord said to my father David, **'Whereas it was in your heart to build a temple for My Name, you did well in that it was in your heart. Nevertheless you shall not build the temple, but your son who will come from your body, he shall build the temple for My Name.'** (2 Chr. 6:8-9)

This was the generation of King David, but the arrival of the generation of Solomon could be seen soon. If we want to complete the good works that God has given to us, we must be like David and Solomon, two generations working as one. Hence, not only the previous generation will complete God's work, but we must allow the next generation to join in, because some works of God can only be completed by crossing over few generations. God is a God that establishes familial principles, God is pleased with the previous and latter generations working together with Him.

During the generation of David, He prepared Solomon; when the generation of David passed, He raised up the generation of Solomon. Even though David wanted to build a glorious and magnificent holy sanctuary for God and to complete a dwelling place for God on earth, but God's will was not for David to complete it alone, but for David's next generation, Solomon to complete. The holy sanctuary was only completed after David passed away, even though David could not witness this magnificent holy sanctuary, but his heart's desire had been completed. Sometimes, the previous generation will start a certain ministry, but it is the next generation that will complete it. Therefore, the next generation that inherits the vision and the previous generation that receives the vision are equally important. God is raising up the next generation to complete the visions and dreams of the previous generation!

4. The next Generation will Do Greater Things

Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. (Joh. 14: 12). Now is the time for the next generation to arise, they will be the force to transform the generation in the next 10 years. The next generation can do greater things for Jesus, because they do not rely on their own strength, but on the Holy Spirit and Jesus that lives within them. ■ [This sermon message was delivered on June 4, 2017. <MG12 Good Shepherd's Tips>

Everyone Needs to be Shepherd - Part 2

B) Everyone Needs to be Illuminated

Therefore we need people who are trustworthy to reveal, and correct all these blind spots. Through our cell leaders' shepherding, they are able to notice God reminders to us, hence are able to intercede on our behalf. As long as we humble ourselves, open for correction, God will not cease to give us reminders, leading us to be able to improve effectively. Hence allowing our lives to sustain greater promotions!

For that reason, to those who are willing to be shepherd, are as if one has a heart that is humble and teachable, which also shows one's willingness to change for God, which in turn willing to allow the Holy Spirit to work in you, thus gaining a more free

Materials for this week's altar building:

"My message and my preaching were not with wise and persuasive words, but with a demonstration of the Spirit's power" (1 Cor. 2:4)

1. The Holy Land

- Ask God to grant Netanyahu and Trump a well-instructed tongue so that they will know how to use words to sustain the weary. Awaken them morning by morning and awaken their ear to listen like one being instructed. Open their ears so that they will not be rebellious or turn away from God's guidance. (Isaiah 50: 4-5)
- Pray for the unity of the government officials headed by Netanyahu. Also, may Netanyahu be filled with wisdom and strategy, so that he'll be able to come up with a way that God delights to resolve the land dispute. Only then can the people of Israel and Palestine enjoy true peace.

2. Church

- Pray for the upcoming Citywide Evangelistic & Supernatural Healing Rally. Ask God to send forth workers to the Klang Valley area to harvest

the crops. May more and more brothers and sisters spread the gospel and lead the non-believers to the rally to experience God's great power.

- Proclaim that the anointing of spreading the gospel will be showered upon our church. May our brothers and sisters experience God's miracles while spreading the gospel and raising a gospel team.
- Father Anton's prophecy for our church and nation is that miracles will happen. Ask God to help every family and cell group to rise and build prayer alters to welcome God's revival.
- Ask God to help our church to be kept united in the Holy Spirit. May all of us love and accept one another, and stay away from all jealousy and strife.

3. Daughter Churches

- GC611: Declare that the church and church members will experience God's favour and enter into abundance.
- GB611: Intercede for the church's numbers to increase to more than hundreds of people during the second half of the year.
