主耶和华的灵在我身上。因为耶和华用膏膏我, 叫我传好信息给谦卑的人, 差遣我医好伤心的人, 报告被掳的得释放, 被囚的出监牢。 The Spirit of the Lord GOD is upon me, because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

Triplet Conception Is Happening

I was reminded when we entered the year 5779, we made a study of the Hebrew number 9 being Tet, and it has a shape akin to a pregnant woman. During the Jewish New Year, based on God’s revelation we as a church received this anointing of conceiving God’s life, and by faith boldly declared conception of twins and even triplets. Brothers and sisters responded by declaring their willingness to support spiritual pregnancy for triplets. Some 6 months had passed, and this prophetic “triplet conception” is really happening.

Owing to Visa difficulty in Malaysia, Pr Cosby of GP611 has to return to his nation Ghana. During this Sunday, Pr. Cosby with his wife will be sent forth to prepare themselves to plant a new church in Africa by the name of Greater Grace 611 (GG611). By best time estimate we hope to make our first trip to Ghana for the official opening ceremony, and it will represent the first birth in year 5779. Besides, we are planning to send forth Pr. Peter Simon Goh and Pr. Naomi to plant a new church in Johor, church name being God’s Throne 611(GT611), representing the 2nd birth. These two births will represent part manifestation of the “52 Years Of Planting Trees of Life” vision from our mother Church. In this respect, how would the third conception materialize? It is still unknown, but we believe the LORD will provide that surprise to us.

In the process of church planting, we as husband and wife realized the importance of true relationship. Should the relationship is just outward in form but with no genuine interaction, it is devoid of power and meaning. GA’s network churches in various nations is not a matter of duplicating “franchise” branch churches, hence is not to connect nations with a name, but with true relationships. Only in this way can our churches be built upon strong spiritual relationship.

We hope the pastors-in-charge of our various network churches not only received the vision to church plant in their nations, but also inherit the visions, core values and DNA of both 611 and GA.

The Church Name is meant to express the church Vision, also the vision of the spiritual family and its core values. Though the Pastor -in-charge is the carrier of the vision, the Cell Leaders and all other brothers and sisters likewise also received this vision, thus enabling the whole church to be deeply rooted on this ground. If

the network churches were not truly rooted, we will only have a liaison in form but without true relationship.

The purpose of opening network churches is not only to bless every church in achieving its own vision, but more desirable is that the vision of 611 family, the core values of the tree of life, the GA Great Army anointing and the faith per the Dry Bones vision, as well as the culture of honoring, may successfully be infused into every network church. When each network church is flowing within these three anointing, it will surely grow, and able to arise to becoming a church that can influence others.

We sincerely bless every network church, that it can continue to grow and multiply upon God’s grace, thus becoming a blessing to the nation

Discern the Time & Greater Transformation

1. Understanding the Timing of God

The month of Adar is the 12th month of the Jewish calendar, between February and March of the Gregorian calendar. The meaning of Adar is of something glorious, and it is a blessed month to the Jews, because the 13th day of the month of Adar is the day that they were redeemed, which is Purim.

The month of Adar is used to adjust the time difference of the entire year, ensuring that the month of Nisan (the first month) will fall during spring. The Jewish calendar sees 19 years as one cycle, and there are 7 leap years within it, where every leap year has 2 Adar months. This year is the Jewish leap year, having 2 Adar months.

Purim occurs in the month of Adar, signifying that the end of a year falls in the redemption of God. Henceforth, the beginning of the year is the month of Nisan, the month of Passover, also signifying redemption. God’s timing starts and ends with redemption. Now is the season of redemption, to break curses and strongholds through the power of the Holy Spirit and receiving God’s blessing.

2. Recognizing the Appearance of the Enemy (Est. 3:1-6)

The rising of Haman was not by his own abilities, but rather by the king’s favour. Rise and lifting up have the same root word as arrogance. After Haman was lifted up, he became arrogant and ordered everyone to bow before him. Mordecai refused to do so because he knew that God had ordered the Jews to eradicate the Amalekites (Deut. 25:18-19), and Haman is a descendant of the Amalekites.

3. Understanding the Schemes of the Enemy (Est. 3:7-9)

Haman devised a plot, through trickery and bribing the king, to achieve his goal of annihilating the Jews. He offered ten thousand talents of silver (340,000 kg), amounting to two-thirds of the total income of the Persian Empire. The enemy will use seduction, conspiracies and trickery to frame us, making us think that we have fallen into a place of despair.

4. God’s Redemption Comes First (Est. 2:16-17, 3:7)

Even though Haman signed off the 13th day of the month of Adar as the death sentence of the Jews, God had actually prepared Esther 5 years before for the redemption 5 years later. God already knew of the enemy’s plans and had already prepared the redemption even before the plans happened. God had prepared, but men must know to grab hold of it, then only will they be redeemed.

5. Grab Hold of God (Est. 4:15-17)

Esther gathered all the Jews to fast for 3 days and 3 nights, in the end exposing the plans of Haman. The Jews were saved. Grab hold of God and any situation will have a safe exit.

6. Receive Favour, Authority and Honour

A) Receive Favour (Est. 5:2, 2:16-17)

God shows mercy to us, the king (authoritative figure) shows mercy to us, things will then change.

B) Receive Authority (Est. 8:2)

The ring represents authority, Mordecai that was supposed to die ended up with authority.

C) Receive Honour (Est. 8:15-16)

The entire tribe of the Jews received honour because of Esther and Mordecai, and many people from other nations became Jewish.

Who can change the forces, who can rid himself of the king’s decree? When God intervenes, the kings and situations of the land will change, and anything can be overturned. ■[This sermon message was delivered on Mar 3, 2019. Edited by Sec. of editors.]

### MG12 Good Shepherd's Tips

#### From a Few to a Multitude (III)

How to face the days when cell members are few.

#### E) Managing Life

The cell leader should deepen his life, learn to manage his emotions, and contemplate more on shepherding.

#### F) See with Faith

Ask God to anoint our eyes, to see ourselves and our cell members with faith. How God views Abraham is how we view our cell members. When Abraham failed, God still saw him as the father of nations; when our cell members are weak, we still need to see them as the best cell members and the best disciples that would be greatly raised up by God. Look at them with faith, not just look at their weaknesses, just as how God sees us. ■

## 3-Day Esther Fast and Pray!

### Materials for this week's altar building:

*"Then Esther told them to reply to Mordecai: 'Go, gather all the Jews who are present in Shushan, and fast for me; neither eat nor drink for three days, night or day. My maids and I will fast likewise. And so I will go to the king, which is against the law; and if I perish, I perish!'" [Est. 4:15-16, NKJV]*
